Robert, good morning.

I am hoping that I can impose on you to ask for a bit of additional time within which to submit our responses. I had hoped to have everything ready to send this afternoon. Unfortunately, with folks' travel, the two Hurricanes, I am not in a position to hit send. I will commit to having everything to you by close of business on Monday, September 11, if that will be acceptable. Our meeting with you and your team will be Thursday, the 14<sup>th</sup>, as planned.

My apologies for the delay and I appreciate your patience.

Many thanks.

Lisa
